Dear Marian,

Remember the good time we had that night when we bought the material for the bridesmaid dresses. Remember leaving all the clerks after us in the dime store and the shoemakers store. also Remember the good time we had that day at Humboldt High school during English class. Remember the first day we met. that was when Frank and Charlotte was married. we sure had a lot of fun while now were here. I wish you the happiness in the future. Hope you have the happiness the years ahead that I am having now. I go this year in the summer. I am hoping to see you later on sometime this summer when you stay over at my place.

yours truly,
Ruby

MR. JOHN GRAN, Principal

Mr. Gran, who came here as principal last September, is not a stranger, because he served as assistant principal here in the fall of 1942. He then became acting principal of Roosevelt Junior High. Mr. Lackner, who also assumed his official duties here last September, was formerly on the faculty at Washington High School. He was also assistant football coach at the College of St. Thomas. The class of 1950 should be long remembered at Humboldt because of the gift which they presented to the school—a red velvet curtain for the stage in the auditorium. One of the biggest thrills the seniors had was when their president, Louis Gilbert, formally presented the gift to Mr. Gran.

Another red-letter day came on May 26, when the seniors were the guests of the junior class at the prom, which was held this year at the Curtis Hotel. June 2, the day chosen for Senior Day, is another date that members of the class will cherish in their memories. Then there is the most important date of all—June 12—when seniors will don caps and gowns for that long march down the aisle of the theater section of the Municipal Auditorium, to get that coveted diploma.

Dearie, Do You Remember—

— when we rushed about school on that first day, anxious to see our old friends and make new ones?

— when we thought Beverlee Skillings looked so pretty and excited, as she was crowned Homecoming Queen?

— when we fought our way into streetcars and buses on the way to football, hockey, and baseball games?

— when Ron Melquist gave that wonderful performance in the Christmas play put on by the expression classes?

— when we danced with our girl friends at Canteen, hoping that that certain boy would take the cue?

— when the motto of everyone was "Rhythm, not bop"?

— when we asked everyone we knew, "Would you like a subscription to ——"?

— when the P.A. System was set up and we heard the Cupidgrams and saw so many bashful blushes?

— when the Little Theater gave the play, "Mother is A Freshman", and all the characters were so much like ourselves?

— when all the new intramural sports were started, and we had fun showing our athletic ability?

— when the Humboldt girls placed in the City Swimming Meet?

— when the halls suddenly became overcrowded just as the lunch bell rang?

— when "Charley's Aunt" was given, and provided many laughs?

— when Karen Elling was named D.A.R. representative?

— when Sue Bartsch was voted Girls' State representative, and Ron Arneberg, Boys' State representative?

— when we held our breaths until the names of those in the upper fourth of the class were announced, hoping we'd make it?

— when that long-awaited prom night came, and we danced to that dreamy music at the Curtis Hotel?

— when we started making plans for Senior Day?

— when Dick Pahr and Virginia Miller were chosen King and Queen of Hearts on Valentine's Day?

— when we used to think we'd never graduate, and now it's only a few days away?

— when we spent our sixth periods working on the "LIFE"? But it was a pleasure, under Mrs. Caroline's supervision. Many thanks are due her.

When we remember these things, we realize that all the joys, tears, disappointments, and surprises that we experienced have gone together to make this a wonderful, memorable school year.

NATIONAL HONOR SOCIETY

The highest scholastic honor that a student can attain is to be admitted to the National Honor Society. However, membership is not determined on scholastic attainment alone. Candidates must have an average of eighty-five or above to be eligible for membership, but they are also judged on their willingness to render service to the school; on their initiative in promoting or directing high school activities; on their ability to accept responsibility; and on such character traits as honesty, reliability, cheerfulness, friendliness, neatness, poise, and stability. Miss Agnes Koehler is the adviser of the group.

Seniors who were elected last year were Joseph Mensch, Geraldine Roessler, Joyce Bleedorn, James Gray, Carole Duffy, Karen Elling, Katherine Pulley, Jo Anne Greengard, Cathleen Benson, Helen Schlief, James Abrahamson, and Marion Katz.

During each period of the school day, student monitors are assigned to hall duty. They help to regulate traffic in the corridors, and see to it that students do not roam around the building without a hall pass. Virginia Firnstahl is student supervisor of this group, and Mr. E. J. Peterson is their faculty adviser.

On Friday nights, the Canteen provided recreation, in the form of dancing and ping pong, for students and their friends. On special occasions, a well-known band played for dancing. Joan Glewwe and Tim Kenney served as co-chairmen; Jo Ann Greengard, as secretary; and William Rhode, as treasurer. Mr. Lyle Farmer was the adviser.

CUB REPORTERS

The cub reporters are members of the first year journalism class. They act as reporters, gathering material for the staff. In the spring, they put out a cub edition of the paper. In this way, they get experience so that they will be able to edit the paper next year.

Arrow and Life representatives take subscriptions at the beginning of the year, and then deliver the newspaper or the yearbook to these subscribers.

Barbara Wood was circulation manager for the Arrow this year, and the Arrow representatives work under her direction.

Jo Ann Greengard was circulation manager for the yearbook. She directed the subscription campaign and the distribution of the annual.

Under the direction of Mrs. Betty Pritchett, a group of experienced singers in the "A" Choir presented many programs during the year. They appeared in the Christmas program, and in the Brotherhood assembly. Members of the choir went out to Ancker Hospital at Christmas and sang carols for the patients in the various wards. While they were at the hospital, they became interested in a small girl who was suffering from leukemia; and later they made another trip out there to give her a doll and sing special songs for her.

"B" CHOIR

These junior vocalists, who hope to be members of the "A" Choir by the time they are juniors or seniors, have been hard at work learning background music. Robert Gale was president; Eunice Clevenger, secretary and treasurer; and Sharon Callan, librarian. Eleanor Eliasson and June Shipley were social hostesses.

BAND

From a small group of pioneers in 1947, the band has grown into a large and impressive organization. Resplendent in their orange and black uniforms, these musicians have given a fine account of themselves at football games and pep fests, as well as in their concert on March 31. The band also appeared in both the Centennial and Winter Carnival Torchlight parades.

Officers are John Haney, president; Lois McNeally, secretary-treasurer; James Marcus and Gloria Hultgren, librarians; and Carole Duffy, social hostess. The "Junior Town Meeting of the Air" group put on a radio discussion this year. Their subject was, "Should the high school curriculum be modified to meet present-day needs?" The program was broadcast over station WTCN. The group was coached by Mr. Michael McDonough.

SPORTS HIGHLIGHTS

Even if Humboldt didn't win any sensational championships this year, they gave the fans some thrills not soon to be forgotten!

In football, Howie Faffler gave everyone a thrill when he ran seventy-five yards for a touchdown in the Wilson game. The try for extra point failed, and the Wilson Redmen went on to win the game, 7 to 6. But it was a moral victory for the Indians, because Wilson was rated as a heavy favorite.

In the Harding game, another thrill was given to the fans when Jerry Thurston intercepted a Harding pass and carried it to the six-yard line. Larry Rothi carried the ball to the four-yard line, but the Harding forward wall held and the game ended with Harding leading, 6-0.

The hockey team this year boasted of a brilliant star who was only a freshman. His name was Paul Johnson. He played very well in all of the games. At the end of the season, he was one of the top scorers of the conference, as well as of the team.

In the Monroe game, Bob Hable, who had the job of filling Jim Yackel's skates, took the puck from near his own goal and made a brilliant solo through the opposition. His goal was at first counted, but was withdrawn because of a called penalty.

Humboldt lost a thrilling game in the district basketball playoffs to Wilson, 41-40. Even though they lost, Humboldt played their best game of the season.

"A" FOOTBALL

The football team, coached by Mr. Richard Krueger, probably pulled the biggest upset of the year in defeating a highly favored Washington team. Missing the services of Bill Amadick for most of the season, the team had to be shuffled around quite a bit to find the right one to take his place. Humboldt was never the team to take a beating lying down, and all their games were exciting to the last minute. Ken Gauthier and Joe Lewis were awarded berths on the All-City team.

"A" BASKETBALL **Standing:** Frank Mauricio, manager, Matt Monzel, Jim Snyder, John McInnis, Hugh Cosgrove, Matthew Casillas, Howie Faffler, Mr. A. Peterson. **Seated:** Jim Kenney, Mel Koppen, Harvey Misel, George Bohrer, Joe Lewis, Dick Gibis, Ken Schurhammer, Bob Englin. **Not pictured:** Vince Medenwaldt.

"B" BASKETBALL **Standing:** Manuel Solis, Ray Guertler, Bob Buntin, Bill Olsson, Ed Prohofski, James Whelihan, Ron Ablan, Mr. E. Peterson. **Seated:** Don Koppen, Frank Kaiser, Jim Kealy, Jack Calvard, Jarry Gutzmann, Tom Waters, Joel Haugley, John Vitalis.

"A" BASKETBALL

Ending the season with a record of 3 wins and 6 losses, the basketball team tied Marshall for 8th place in the city conference. In the district play-offs, the team lost its first game to Wilson, 41-40. High scorers for the Humboldt five were Harvey Misel with 173 points; Mel Koppen with 131 points; and George Bohrer with 108 points. Mr. Arthur Peterson coaches the basketball team.

"B" BASKETBALL

Coached by Mr. Elmer Peterson, the "B" basketball team closed the season with a record of 10 wins and 5 losses. In the city B squad tournament, the Humboldt Bees lost in the semi-finals to Wilson, 24-17.

Impressive on this year's "B" team were: Joel Haughy, Ed Prohofsky, John Vitalis, and Frank Kaiser. They should be valuabe additions to next year's varsity squad.

HOCKEY TEAM **Last row:** David Sharpe, Jerome Pietruszewski, Bill Kruel, Jim Markus, Jerry Astrup, Richard Mooney, Peter Medernach, Jim Thurston, Ed Latuff, Wesley Lathrop. **First row:** Russ Greenbush, Dick Pahr, Ken Hable, Dick Steger, Chuck Halvorson, Ken Gauthier, Bill Amadick, Jerry Oase.

HOCKEY

Coach Dick Kruger's hockey team, although missing the able services of those two fine defensemen, Lewis Saad and Jim Yackel, made a favorable showing in the city conference games. Toward the end of the season, they were rapidly gaining finesse. Such stars as Paul Johnson, Dick Pahr, and Bob Hable were among the best players in the city. Bob Hable made All-City center.

Marshall Peterson in the weight department and Millard Gieske in the dashes were the top point getters. Among those returning this year were Ron Melquist, Duane Peterson, Larry Rothi, Vern Olsen, and Don Desch.

BASEBALL

Among the four top teams in the city, Humboldt's baseball team dropped four of the nine tilts last season. Mr. Arthur Peterson, coach, guided the Indians into the playoffs only to lose to Mechanic Arts, 7 to 6. Outstanding players were Bob Hable, pitcher, and Dick Lee, catcher. Both of these boys made the All-City team.

thanks gang . . .

We want you to know, again, how grateful we are that we have had the pleasure of working with you -- as individuals -- as a group.

Your marked qualities of enthusiasm, initiative and cooperation are, we believe, well reflected in this, your yearbook.

You have put many hours, days and weeks of planning, drawing, mounting, editing and selling into this book. That is why you are so thrilled with it now. And that is why -- as the first flush of excitement in possessing it in finished form wears away, and as the years roll by, you will find that by keeping it always near you, and reviewing it's story with friends old and new, you will cherish it more and more.
